

Ordering has never been this EASY!

 Productivity Inc[®]

What we give you:

- Barcode labels for products you buy frequently to put on your cabinets

- A barcode book for ordering from your desk

- A wireless scanner that captures the quantity and item information on products you want to order

What you do:

- Scan barcodes from the barcode book or labels provided

- Plug the scanner into your computer:
 - Scan & Go automatically populates the online Shopping Cart with scanned information
 - You will see quantity available and can edit the order quantities

- Process order:
 - Add Purchase Order and shipping information and you're done! It's that easy!
