

# GUHRING Summer of SPEED

*Special  
Discount -  
55% off list!*

5 large, wide flutes for outstanding chip evacuation  
High-performance roughing even at high cutting depths

stable cutting edge  
with corner radius/chamfer  
and face correction =  
**Double protection  
for long tool life**

nano-A™ wear-  
resistant coating for  
extended tool life

Dished center for efficient helical milling  
-- and **ramping at angles exceeding 10 degrees!**

*Excels at dynamic milling in stainless steels, special alloys  
and a wide variety of steel and cast iron grades*

## Promo **5<sup>RF 100</sup>** SPEED series:

**Series 6985:** Short length, corner radii

**Series 6986:** Standard length, corner radii

**Series 6987:** Long length, corner radii

**Series 6988:** XL length, corner radii

*inch sizes, HB shank >3/8" dia*

**Series 6990:** Standard length, corner chamfer

**Series 6991:** Long length, corner chamfer

*inch sizes, HB shank >5/16" dia*

*Promotion limited to the series listed on this flyer. End mills must be purchased through a participating authorized Guhring distributor. Please confirm you are purchasing from a participating distributor. Promotion ends Sept. 30, 2022*
