

HAAS AUTOMATION
DEMO
DAY 2023

***SPECIAL* SEMINAR**

During Demo Day @ Select Locations

TOPIC: AUTOMATION & QUICK CHANGE SET-UP

Automation isn't about replacing workers, it's about making the workers in your shop more productive. It's about making more chips, and we all know that more chips equals more money. Learn the benefits and best practices for utilizing quick change workholding and leave with a new secret weapon for increasing profits and productivity within your shop!
